

## ACRYLIC PROTECTIVE SCREEN

to practice physical distancing

Keeping a safe space between yourself and others.

The protective barrier is a mobile solution which can be placed easily on a desk to create a safe separation between employees or visitors.

## SOCIAL DISTANCING PROTECTION FOR EVERYONE

Both protective screens are self-supporting 600mm high acrylic panels to be placed on existing desk. Hygienic and breath protection, to counteract the proliferation of coronavirus and others and allow the reuse of shared workstations in safety.

## REDUCE EXPOSURES

Side protective screen with protruding sides to increase safety.

## STATEMENT OF LINE

No tools are needed to assemble the protective screen. The screens can be used on any of our desking series.

## ACRYLIC STAND
