CLAMEN

series

Combining the ordinary shape in searching for an extraordinary design, and visualized the future of desking, we transform it from where we want it to be.

LINES OF BEAUTY

These days, many offices are beginning to focus on the design and sense of beauty where they believe office design is their office culture's foundation.

The unique design features white metal desk legs, clean lines and a layered effect with one end of the desk supported by a storage unit. All pieces in this set have designed to create the easiness and tidiness, so you can configure them in any way that fits your office space best.
